PROTOCOL AMENDMENT FORM

Type your response in the highlighted areas.

Principal Investigator: ____________________________

IAEC approval Number(s): ________________________

Title(s) of the project: ____________________________

What type(s) of changes in the protocol are being proposed? Mark all that apply.

1. Change/Add title/funding agency:

2. Change in personnel: __________________________

3. Change PI: _________________________________

4. Number of animals < 10%: ____________________

5. Number of Animals > 10%: ____________________

6. Euthanasia method: __________________________

7. Add species/strain: __________________________

8. Change in emergency contact person or change in PI lab.: __________________________

1. Change/Add title/funding agency

   Add title: _________________________________

   Change title: ______________________________

   Add funding agency: _________________________

2. Change in PI

   Name | Department, Campus Address | Phone Number | Emergency Contact Name and Number (After hours)

   | | |

   The new PI has read the referenced protocol including any and all modifications, and amendments, and agrees to conduct the project as described therein.

   ______________________________
   Project Investigator’s signature required

3. Delete the following Personnel

   __________________________

   __________________________

4. Add the following Personnel:

   Do not submit this form unless the person you are adding has the following:

   • Training in entry and exit procedures / Animal Facility Orientation Programme

   __________________________

   __________________________

   __________________________
5. Change in number of animals (same strains as approved in original protocol)

<table>
<thead>
<tr>
<th>Species</th>
<th>Strain</th>
<th>Number of animals originally approved</th>
<th>Additional number of animals needed for the remainder of this project</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

A. Justification for additional animals. Please explain in detail the reason additional animals are required (e.g. the number of animals approved on a protocol may need to be adjusted due to unforeseen problems, unanticipated results, changes in the research direction, etc)

6. Adding Species and/or different Strain

<table>
<thead>
<tr>
<th>Species</th>
<th>Strain</th>
<th>Number of animals Requested for the remainder of this project</th>
<th>Source of Animals</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

Justification for adding species. Please explain in detail the reason for using an additional species.

7. Change in method of Euthanasia.
ALL AMENDMENTS MUST BE APPROVED BY THE IAEC PRIOR TO IMPLEMENTATION.

Principal Investigator’s Signature: _______________________ Date: ______________

IAEC Action:

___ The changes proposed are considered minor and are administratively approved by the IAEC chairman.
   The changes may be implemented and this form will be filed with the original protocol.

___ The changes proposed are considered a major amendment and reviewed by the IAEC Committee.
   The changes may be implemented and this form will be filed with the original protocol.

Approved

IAEC CHAIRMAN
