बी.ओ.जी.22.50.05 B.O.G.22.50.05	संकाय के लिए कैरियर उन्नति योजना के मूल्यांकन की पूर्ति Completion of Assessments under Faculty Career Advancement Scheme		
	<p>Following extensive discussions, the BoG has approved an extremely rigorous Career Advancement scheme (CAS) for the Institute’s faculty, whose criteria include inter alia (i) academic excellence in research and teaching, of a standard that is expected to be not inferior to that of a direct recruit to the same position; (ii) residency period ordinarily of six years; (iii) two successive levels of assessment, the first by an internal advisory committee of Professors and the second by an external Assessment Committee of experts chaired by the BoG Chairperson; (iv) requirement for not less than five referees’ reports, at least two of which are from international experts; and, finally, (v) approval by the BoG of the Assessment Committee’s recommendations.</p> <p>The Assessment Committee under this scheme met on 29<sup>th</sup> July 2022 with Prof. Ajay Sood, Chairperson BoG, in the Chair, and its recommendations</p>		

Item No	Agenda
	<p>were placed at the 49<sup>th</sup> BoG meeting held on 30 July 2022. The BoG accorded approval in principle to the recommendations of the Assessment Committee, subject to concurrence of the Ministry of Education. The latter condition was included in the BoG resolution, since the Ministry had submitted comments that CAS is normally not followed / is not supported in institutions wherever flexi-cadre structure is there.</p> <p>The Institute had explained to the BoG, and has subsequently sent two letters to MoE (<i>Annexure II, Page No.28-31 of the Agenda</i>), that the institute has already converted its flexi-cadre structure to a fixed cadre for the different faculty levels, and that a reservation roster approved by BoG has also been prepared as mandated under the Central Educational Institutions (Reservation in Teachers' Cadre) Act 2019. In this context, the Ministry is also at present addressing a complaint, which has been directed to it by the Hon'ble Standing Committee on SCs and STs and by the National Commission for Scheduled Castes, that IITs and CEIs are wilfully violating the provisions of the said Act in their procedure for faculty appointments in the name of flexi-cadre structure without preparing the cadre-wise faculty reservation rosters.</p> <p>Given that the placement of faculty at the higher designation under the CAS as adopted by the Institute is as rigorous as appointments made to the higher designation, the BoG is requested to approve that such placements under CAS are fully equivalent to fresh appointments. This same principle is followed for both faculty CAS in UGC, as well as for Scientists under S&amp;T Ministry promoted through the Flexible Complementing Scheme. By analogy to these two schemes, the placement of faculty in the higher designation following this Institute's CAS is also personal to the individuals concerned.</p>

Item No	Agenda
	<p>The BoG is also requested to approve the proceedings of the CAS Assessment Committee meeting that was held on 30 July 2022.</p> <p><b><u>It is submitted for the consideration and approval of the Board.</u></b></p> <p><b><u>Comments of the Ministry of Education:</u></b> Like IITs, IISERs follow flexi-cadre. There is no CAS in the flexi-cadre system. The examples of UGC/DST quoted in the agenda are not relevant here as they do not follow the system of flexi-cadre. The proposal is therefore not consistent with the policies and may not be approved. While career advancement of the faculty is necessary, and very much appreciated, it is suggested to study the system in some well-established IITs to ensure that interests of faculty members are not suffered.</p>
	<p>Initiating the discussion, the Director Prof. J.Gowrishankar pointed out the difficulties being faced by the institute in applying the roster (which is a requirement under the Act) on the flexi cadre of faculty positions. He mentioned about a complaint that has been forwarded to the MoE in which anomalies have been highlighted in implementation of faculty reservation as being followed in the IITs, and which has asked for the flexi cadre system therefore to be declared as invalid.</p> <p>The Director further pointed out that the practice being followed in some of the established IITs to which the MoE has referred apparently requires the availability of a large number of vacant sanctioned faculty posts. On the other hand, the Institute is having only 120 sanctioned positions of which nearly and 110 faculty are in place and a special recruitment drive cycle III is going on for the remaining posts.</p> <p>The Director also reiterated that the Faculty Career Advancement Scheme approved for the Institute by the BoG is extremely rigorous in</p>

Item No	Agenda
	<p>its standards and that the pending recommendations have been made by an Assessment Committee which was chaired by the BoG Chairperson. Therefore, he strongly urged that these recommendations should be accepted and approved.</p> <p>He further stressed that 51 additional faculty positions which have already been approved by BoG and are pending at the Ministry should be immediately sanctioned to the institute. This sanction can be accorded by MoE itself, since the Finance Ministry has already delegated this power to MoE. All the members present were unanimous in agreement that 51 faculty positions must be sanctioned at the earliest. Dr. Alka Rao pointed out that the difficulties being faced in implementing the suggested model of IITs may be communicated to the Ministry. Professor Sudeshna Sinha, Special Invitee emphasized that the process for CAS which was undertaken at IISER Mohali was very rigorous and the process had taken a long time for completion, therefore it must be honoured and accepted. She also added that the present situation has created a very strong sense of despondency and disappointment amongst the faculty, since there was absolutely no avenue for career progression being made available to them.</p>
<b>Decision</b>	<p>The BoG resolved to recommend to the Ministry of Education to immediately sanction 51 faculty positions and also resolved that the Institute should study the models in some of the old IITs as has been suggested to ensure that interest of the faculty members for career progression are not compromised.</p>
<b>बी.ओ.जी.22.50.06 B.O.G.22.50.06</b>	<p><b>आईसर मोहाली के कानूनी सलाहकार की सूचीबद्धता</b> <b>Empanelment of the Legal Advisor of IISER Mohali</b></p>
	<p>Shri Shireesh Gupta, Advocate of the Hon'ble Punjab and Haryana High Court, has been serving as the legal adviser of IISER Mohali for the past</p>

	<p>four years on a current retainership of Rs 12000/- p.m. In the Institute's opinion, he has performed most competently during this period. Since 2020, he has represented the institute in more than 14 petitions in the Hon'ble High Court, one petition in the Hon'ble Supreme Court, and 06 cases in subordinate courts (<i>Annexure III, Page No.32-33 of the Agenda</i>). The Institute's position has been protected in all judgements delivered so far over the past three years, while the ongoing cases include three in the High Court, one in CAT, and two each in District Court and Labour court.</p> <p>Furthermore, Shri Gupta has provided valuable legal advice to the Institute on a variety of matters such as those relating to the Public Premises Act, student discipline, adherence to provisions of various Acts and DoPT orders etc.</p> <p>At its 49<sup>th</sup> meeting held on 30 July 2022, the BoG resolved that "<i>Based on the comments of the IFD, the Board resolved that the Institute should start the process of empaneling legal advisor for IISER Mohali as per the rates approved by Law Ministry and that in the interim the present arrangement may continue for six more months</i>". Since the Institute is of the opinion that continuity should be maintained, the Director and Registrar have discussed the matter of remuneration with Shri Gupta who has agreed to the rates as prescribed in the Ministry of Law and Justice OM No 26(1) 2014 Judl. dt 01.10.2015 provided that it is suitably adjusted to cost of living increases (since the rates prescribed in the OM are seven years old). It is accordingly proposed that the Law Ministry rates with increase equivalent to the prevalent DA of 38% may be considered to compensate for inflation.</p> <p>The matter is for consideration of the BoG to decide upon continuing with Shri Shireesh Gupta as legal adviser at the prescribed rates as per Ministry of Law and Justice plus 38% thereon.</p> <p><b><u>It is submitted for the consideration and approval of the Board.</u></b></p> <p><b><u>Comments of the Ministry of Education: May be considered.</u></b></p>

Item No	Agenda
Decision	The BoG approved the rates of the legal advisor and legal counsel as prescribed in the Ministry of Law and Justice OM No 26(1) 2014 Judl. dt 01.10.2015 plus increase equivalent to 38%. The Board further resolved that institute is to empanel more advocates in the list for representing the Institute in Court cases, but may retain present legal advisor as Legal Retainer, for advice to the Institute on any matter that may arise.
बी.ओ.जी.22.50.07 B.O.G.22.50.07	संविदा आधार पर संकाय नियुक्तियाँ Contractual Faculty Appointments
	<p>The Institute has a sanctioned faculty strength of 120. It is entitled to another 51 faculty positions as per the approved Cabinet decision on IISERs and the 10:1 student: faculty ratio. These positions have also already been approved by BoG but their sanction has been referred to and is now pending with Ministry of Finance despite the notification that powers for creation of such posts in IISERs have been delegated to Ministry of Education. The Institute is in urgent need of additional faculty in many Departments to enable it to cope with the teaching requirements. The Institute has initiated Minors programs in Data Science and Science Education which, in the absence of suitable new regular faculty, are at present being taught by retired faculty/industry experts. Likewise, HSS Department needs additional faculty to teach courses in Philosophy of Science and in English; Biology needs faculty in the areas of Ecology and Behavior and in Computational Biosciences etc.</p> <p>As per Clause 20(1) of the IISER Statutes, the Board may appoint any person on contract for a period not exceeding five years, and the Chairperson is to constitute the Selection Committees for making such appointments. Accordingly, the BoG is requested to approve the</p>

Decision	The Board approved the 10 contractual faculty positions subject to availability of funds.
बी.ओ.जी.22.50.08 B.O.G.22.50.08	<p><b>संस्थान में गैर संकाय पदों की स्वकृति के लिए अनुरोध</b> <b>Request for Sanction of Non-faculty Positions to the Institute</b></p> <p>The Institute has 1800 students in various programmes and the sanctioned strength of faculty positions are 120. As per the DPR, the ratio between students: faculty: non-faculty is 10:1:1.1. The Institute has been sanctioned 96 positions of non-faculty, whereas with the numbers mentioned above, the number of non-faculty is to be 132. So, the institute is immediately short of 36 non-faculty positions.</p> <p>In addition to the above, 51 additional faculty positions have been approved by BoG and are pending for sanction by the Ministry of Education. With the sanction of these 51 positions, the total number of faculty positions will be 171 and hence the total number of non-faculty positions would rise to 188. The BoG in its 41<sup>st</sup> Meeting had recommended creation of 85 positions of non-faculty to Ministry of Education but this matter is still pending.</p> <p>Since the Ministry of Finance has earlier already delegated to the Ministry of Education the powers to create positions as per the ratio of 10:1:1.1, the BoG is requested to recommend to the Ministry of Education to immediately sanction following 36 positions of non-faculty. As and when 51 faculty positions will also be sanctioned by the Ministry of Education,</p>

	<p>Prof. Kausik Chattopadhyay's spouse Dr. Arunika Mukhopadhyay, who is also Associate Professor, Department of Biological Sciences went for emergency Surgery for NEOCYSTOSTOMY with PSOAS in Fortis Hospital, Mohali which is one of the empaneled hospitals of the Institute. The actual expenditure incurred was Rs.1,19,493/-. However, the Institute CMO recommended that the permissible reimbursement amount be restricted to Rs. 13,966/- The matter was discussed in the 38<sup>th</sup> Finance Committee Meeting and 46<sup>th</sup> BoG held on 24.12.2021. The BoG resolved that "in case of conservative treatment where there is no CGHS package</p>

If the procedure is not listed even in AIIMS rates, then rates of PGIMER Chandigarh will be adopted.”</i></p> <p>Accordingly, the bills of Dr. Arunika Mukhopadhyay were sent to PGI for their advice. The reply of PGI is attached at <i>Annexure II of the Agenda for F.C., Page No.9-18</i>. The case was reexamined by Institute CMO. He has treated the case under “other major surgeries” and has recommended increase of the reimbursement amount to Rs. 19,346/- which, however, is still significantly less than the expenditure incurred by the applicant. The CMO has opined that the said case does not fall under conservative treatment and that it is a case under surgery procedure; therefore, the PGI rates do not apply. The said procedure is not listed under the CGHS Rates and is being considered under the Head “Major Surgery/Other Minor Surgery Packaged Rates.”</p> <p>In order to reduce the residual financial burden of the applicant, it is being proposed that the second sentence of the Finance Committee resolution of 24.12.2021 may be amended to read as follows:</p> <p><i>“If the procedure (Conservative or otherwise) is not listed even in AIIMS rates, then rates of PGIMER Chandigarh will be adopted.”</i></p> <p><b><u>On the recommendation of the Finance Committee, it is submitted for the consideration and approval of the Board.</u></b></p> <p><b><u>Comments of the Ministry of Education:</u></b> Comments are separately given on the agenda of FC and may be taken care.</p> <p><b><u>Recommendation of the Finance Committee:</u></b> The procedure which Dr. Arunika Mukhopadhyay underwent is to be treated as Ureteric Reimplantation Surgery(Open) as recommended by PGI and appropriate rates as prescribed in CGHS Rates are to be followed. 	The Institute has recently discovered that some of the employees of the Institute are drawing pension from the previous organization where they served before joining IISER Mohali on permanent absorption. Consequently, letters were sent to previous employer of all those employees who joined the Institute after technical resignation from other institutes. From the responses received, it was revealed that Prof. Anand Kumar Bachhawat and Prof. Purnananda Guptasarma were drawing pension from IMTech. Chandigarh, Dr. Visakhi from ICAR, New Delhi, and Sh. Praveen Kumar Srivastava from Semi-Conductor Laboratory, Chandigarh. To comply with the policy of Pay minus pension, corrective steps were initiated, and pending the availability of the latest Pension Payment Order their salary for the month of September 2022 was notionally fixed on the principle of Pay minus Pension. The institute has requested previous organization to provide latest Pension Payment orders so that their actual

It also appears that both IISER-Kolkata and IISER Bhopal have permitted payment of full salary as per scale to employees who have joined on permanent absorption basis while allowing them to draw pro-rata pension, leave salary, gratuity etc. from their old organizations. Item No	Agenda
	<p>Following the discussions in its 48<sup>th</sup> and 49<sup>th</sup> meetings held on 26 May 2022 and 30 July 2022, the BoG had decided that (i) there shall be mandatory gender segregation for 1<sup>st</sup> year BS-MS students and those below 18 years of age; (ii) for others, an opt-in choice shall be given to stay in non-segregated hostels, and the rules for such stay can be worked out in consultation with all stakeholders with the proviso that such rule are implementable; and (iii) these decisions are to be implemented on an amicable basis as far as possible, subject to strict adherence to fire safety norms and logistics.</p> <p>The new batch of around 250 1<sup>st</sup> year BS-MS students (MS22 batch) are expected to join the Institute around 30 October 2022. In an exercise undertaken by the Dean Students, around 1100 existing students have submitted their option to stay in non-segregated hostels; about 60 existing students have stated that they wish to stay in gender segregated hostels. The Dean Students has consulted the Director and then written to all students that one of the four Hostel buildings (Hostel 8) will be gender-segregated to accommodate both MS-22 students and the others who wish to stay there. The other three buildings (Hostel 5,6, and 7) will be non-segregated.</p> <p>The Dean Students has further stated to the students that 125 vacant rooms will be needed in Hostel 8 to accommodate the newly joining MS22 students (on double occupancy basis), against which only 75 are at present vacant. He has requested for students in Hostel 8 to volunteer to shift to vacant rooms in other hostels, but so far only ten have agreed to do so. Hence there is a shortfall of around 40 rooms (not counting rooms needed for the 60 non-MS22 students who also are to be accommodated in Hostel 8).</p> <p>The Director and Dean Students had a meeting with the Students' Representative Council (SRC) on 14 October 2022, but the students have not agreed to shift as requested (even if the shifting were to be postponed</p>

	<p>to the end-semester break in December 2022). It has accordingly been decided that the MS22 students will be accommodated in the vacant rooms of all the four hostels, and therefore that no coercive steps will be taken for gender segregation at present. Although this decision is not fully compliant with the BoG resolutions, it has been taken so that there is no confrontation with the students nor any delay in MS22 admissions, both of which would not be in the Institute's interests.</p> <p><b><u>This is for the information of the Board.</u></b></p> <p><b><u>Comments of the Ministry of Education:</u></b> Maybe noted.</p>
	<p><b>Dr. Alka Rao stated that she would like to reiterate that this is an administrative day-to-day matter and need not have been brought to the BoG, which she had also stated in the previous BoG meeting. The Director explained that the issue is very serious and might have escalated to a point where the Institute hostels would have had to be shut down, which is why it was brought up to BoG. Furthermore, it is a situation where a BoG resolution could not be complied with by the Institute.</b></p> <p><b>Prof. Sanjay Mandal also added that the Institute Legal Advisor had advised that in case of any eventuality, the Director would be held responsible and hence the issue required to be brought up to BoG.</b></p>

<b>बी.ओ.जी.22.50.24 B.O.G.22.50.24</b>	<b>पत्रिकाओं की व्हाइट सूची White List of Journals</b>

Item No	Agenda
	<p>In the 48<sup>th</sup> BoG meeting held on 26 May 2022, the Institute's current practice of supporting article publication charges (APC) for the faculty to publish in a defined "White list" of journals was discussed. The BoG resolved (i) that a revised and much shorter white list is to be prepared comprising journals of high standard, for which the APC can be met from OH-31 funds, and (ii) that the existing white list can continue to be used for supporting APC payment from CPDA or extramural project funds.</p> <p>Accordingly, several discussions have since been held amongst the faculty, and the Institute has also sought inputs from three external experts. It has been decided that the revised white list for which the institute will bear APC from OH-31 funds will be restricted to those from the previous white list (submitted to BoG earlier) that fulfil one of the following criteria:</p> <ol style="list-style-type: none"> <li>1. Journal Impact Factor &gt; 6.0 as per the 2022 data; or</li> <li>2. Journals published by any Professional Society or University/academic press or not-for-profit company which have been in publication since or prior to 1997. (For journals of the European Geophysical Union or the Geological Society of America, the cut-off year will be taken as 2004).</li> </ol> <p>Since 2020, the institute has spent around Rs.89 lakhs from OH-31 towards APC, which amount would have been reduced to about Rs 45 lakhs (~50% decrease) under the revised white list criteria.</p> <p><b><u>This is for the information of the Board.</u></b></p> <p><b><u>Comments of the Ministry of Education:</u></b> Maybe noted.</p>
