

Walk-in interview for the Ph.D. program in Chemistry for those candidates who recently became eligible for CSIR-UGC JRF

Registration: 9.30-10.30 AM

Interview Dates: 20th December 2022

Venue: Academic Block-I, IISER Mohali

This walk-in interview is exclusively for the candidates who have become eligible for a Junior Research Fellowship (JRF) in Chemistry in the recently announced results of CSIR-UGC (JRF) for admission into the Ph.D. program at the Department of Chemical Science, IISER Mohali beginning of January 2023.

Eligibility: Candidates who have become eligible for JRF in the recently announced results of CSIR-UGC (JRF) examination held in July 2022, and who have a Master's degree/ B.Tech/MBBS/M.Tech/M.Pharm in Chemical, Physical, or Biochemical sciences/biotechnology/ nanotechnology or any other relevant subject with a good academic record (at least a high second class) are eligible to attend the walk-in interview. Those who have received call letter for regular interviews need not attend the walk-in interview.

While coming for the Interview, please bring both original and self-attested photocopies of (1) the award letter from the funding agency, (2) the date of Birth (DOB) certificate, (3) all mark sheets/ grade transcripts and certificates starting from class 10th, (4) Government recognized Photo ID and certificate of SC/ST/OBC-NCL/PD/EWS, if applicable, (5) recent passport size photographs (2 Nos.).

The original certificates will be returned to you immediately after verification while the self-attested photocopies will be retained by the admission committee.

Queries related to the walk-in Interview can be raised by writing to Email: phdchem@iisermohali.ac.in

NOTE: (1) The reservation rules will apply as per existing GoI guidelines. (2) The candidates will have to make their arrangements for travel and accommodation. IISER Mohali will not be able to provide accommodation or travel support. (3) If a candidate has a preference for a particular research field, the Department will usually try to consider them positively. Therefore, you should carefully explore the research work going on in the labs of the faculty in the Department. You may find details of our faculty members (such as research profiles, ongoing projects, etc.) from the Department homepage (<https://web.iisermohali.ac.in/dept/dcs/index.php/faculty-and-staff/faculty>), personal homepages, Google Scholar pages, etc.
