

CRSI NSC - 29

29TH CRSI NATIONAL SYMPOSIUM IN CHEMISTRY (CRSI-NSC-29)

CRSI - ACS SYMPOSIUM SERIES IN CHEMISTRY

JULY 07-09, 2022

Organised by

INDIAN INSTITUTE OF SCIENCE EDUCATION AND RESEARCH
(IISER) MOHALI

ACS
Chemistry for Life®

The Chemical Research Society of India (CRSI) was established in 1999 as part of the 50th anniversary celebrations of the country's independence. Currently, CRSI represents more than 3300 lifetime members, who participate in the study, practice, teaching and promotion of Chemistry. The main objectives of the CRSI are to recognize, promote and foster talent in Chemistry and Chemical Sciences and to improve the quality of Chemical Education at all levels. The CRSI organizes conferences, seminars, workshops, symposia and other related programs to facilitate and promote research in all branches of Chemistry.

Governing body of CRSI	
President	Prof. Vinod K. Singh
Immediate Past President	Prof. N. Sathyamurthy
Founder President	Prof. C. N. R. Rao
Vice Presidents	Prof. V. Chandrashekhar, TIFR Hyderabad Prof. Amitava Das, IISER Kolkata Prof. Ashok K. Ganguli, IIT Delhi Prof. K. P. Kaliappan, IIT Bombay Prof. G. Mugesh, IISc Bangalore
Secretary General	Prof. N. Jayaraman, IISc Bangalore
Secretaries	Prof. T. Govindaraju, JNCASR Bangalore Prof. Neelima Gupta, University of Rajasthan
Treasurer	Dr. V. Subramanian, CSIR-CLRI, Chennai
Jt. Secretaries	Prof. Prodeep Phukan, Gauhati University Prof. G. Sekar, IIT Madras Prof. K. K. Ghosh, Pt Ravishankar Shukla University Dr. D. S. Reddy, NCL Pune
Jt. Treasurer	Prof. P. Thilagar, IISc Bangalore

Council members	
Dr. R. Bandichhor, Dr Reddy's Laboratories	Prof. Swagata Dasgupta, IIT Kharagpur
Prof. Ramesh C. Deka, Tezpur University	Prof. Pradyut Ghosh, IACS Kolkata
Prof. Ruchi Anand, IIT Bombay	Prof. S. Muthusamy, Bharathidasan University
Prof. T. Punniyamurthy, IIT Guwahati	Dr. P. Sujatha Devi, CGCRI, Kolkata
Prof. C. H. Suresh, NIIST Trivandrum	Dr. Raksh Vir Jasra, Reliance Industries
Dr. Parthasarathi Das, IIT Dhanbad	Prof. Rajeev Gupta, Delhi University
Prof. M. N. Roy, North Bengal University	Prof. Swati De, University of Kalyani
Prof. R. Mayilmurugan, IIT Bhilai	Prof. Susanta Mahapatra, HCU, Hyderabad
Prof. Geetha Hundal, GNDU Amritsar	Dr. Joyanta Choudhury, IISER Bhopal
Prof. Parbati Biswas, Delhi University	Prof. H. N. Gopi, IISER Pune
Prof. Swadhin Mandal, IISER Kolkata	Dr. G. Narahari Sastry, CSIR-NEIST, Jorhat
Prof. K. Pitchumani, MSU, Tirunelveli	Dr. Farukh Arjamand, AMU, Aligarh

29th CRSI National Symposium in Chemistry & CRSI-ACS Symposium Series in Chemistry is scheduled to be held in Indian Institute of Science Education and Research (IISER) Mohali during July 07-09, 2022 under the aegis of the Chemical Research Society of India (CRSI) and with the support of the American Chemical Society (ACS). The organizing committee at IISER Mohali takes the pleasure of inviting you to attend this symposium. The symposium includes medal lectures, poster presentations and special lectures by eminent chemists and scientists working in the allied areas of chemistry from India and abroad. The National Symposium in Chemistry (NSC) provides a platform for scientists, teachers and students to discuss the recent developments in chemical sciences across the sub-disciplines. In addition, NSC creates opportunities to exchange ideas and to build long lasting collaborations in the frontier areas of chemistry and its allied disciplines. We look forward to welcoming you at IISER Mohali.

The participants are required to complete online registration and pay the registration fee via the online portal. The registration fee is non-refundable and it includes full participation, conference kit, lunch/dinner/refreshments.

REGISTRATION

Registration Fee*	
Student (Life Member-Old)	Rs. 2000 + 360 (GST) = Rs. 2360
Student (Life Member-New)	Rs. 0[#]
Life Members, CRSI	Rs. 4000 + 720 (GST) = Rs. 4720
Industry Delegate	Rs. 10000 + 1800 (GST) = Rs. 11800
Academic Delegate	Rs. 6000 + 1080 (GST) = Rs. 7080
Accompanying Person	Rs. 3000 + 540 (GST) = Rs. 3540
Foreign Delegate	US\$ 200 + 36 (GST) = \$ 236

If a student becomes a Life Member of the CRSI after paying Rs. 5000.00 (discounted fee), his/her registration fee will be waived for CRSI-NSC-29.

To become a new CRSI Life Member please visit (<http://crsi-india.org/new-membership/>)

Important Dates

Deadline for Abstract Submission [#]	June 05, 2022
Selection/acceptance of abstract	June 10, 2022
Deadline for Registration & Fee Payment	June 15, 2022

#More details about abstract template and posters are available on the symposium website.

Abstracts received after May 30, 2022 will not be considered.

#Acceptance of submitted Abstract will be notified to the participants by email. Successful Registration and payment of registration fee, before the deadline, is necessary to participate in the conference. There will be no on the spot registration.

ACCOMODATION

Accommodation for all the invited speakers will be provided in the Institute Guest House. For all other delegates and participants, a prior booking (during the registration) is required. Accommodation will be provided in the Guest House based on the availability. However, accommodation in a hotel can be availed on payment basis. More information regarding the accommodation is available on the symposium website. Student participants will be given accommodation in Student Hostels at a rate of Rs. 250/per student/per night (twin sharing). The accommodation fee will be charged during the registration.

INVITATION FOR SPONSORSHIP

29th CRSI-NSC and CRSI-ACS Symposium Series in Chemistry, is the first CRSI event that will be organized in IISER Mohali during July 07-09, 2022. CRSI is the largest society of chemists in India and has been extremely popular and has been highly successful in attracting leading scientists from all areas of chemistry, from India as well as abroad, to come together and share their latest research and advances in chemistry and various allied areas. This platform attracts a very significant number of scientists, researchers, teachers, PhD scholars and industrialists throughout the country. For many years, CRSI events have been the most popular and the biggest meetings in chemical sciences and provide the most ideal platform for the chemical and other companies to showcase their products, offers, and present their contributions in the field of chemical sciences. The organizers are committed to give this meeting a wide publicity through web, printed media and social media.

The organizing committee is encouraging companies to be part of this meeting through their generous sponsorships. In fact, diverse schemes for sponsorships are available for this meeting.

Interested companies can contact us via email: crsi.nsc29@iisermohali.ac.in

Indian Institute of Science Education and Research (IISER) Mohali established in 2007, is one of the premier institutions established by the Government of India. The faculty and students of the Institute are dedicated to the pursuit of knowledge in frontier areas of basic sciences. In an intellectually vibrant academic environment, IISER Mohali nurtures the basic tenets of science education and research at undergraduate and postgraduate levels. In so doing, the institute aims to emerge as a global centre of learning, academic excellence, and innovative research.

For more details visit: <https://www.iisermohali.ac.in/>

DEPARTMENT OF CHEMISTRY

The Department of Chemistry at the Indian Institute of Science Education and Research Mohali is one of the leading departments in the country involved in the pursuit of high quality cutting-edge research of international standards. The faculty members of the department are committed to the teaching and research activities. The department has been recognized by many awards and honors received by its faculty and students at national and international levels. The teaching and research activities started in 2007 and the department was established in 2012 and covers all the major areas of Chemistry, viz. inorganic, organic, materials, physical and theoretical chemistry.
