<u>TO WHOM IT MAY CONCERN</u>

This is to certify that:

1. All educational programmes being offered by IISER Mohali are full-time regular degree programmes.
2. The medium of instruction of all academic activities is English at IISER Mohali.
3. The IISER Mohali follows a relative grading policy. A letter grade (Grade Points: A=10, B=8, C=6, D=4, F=0) is issued to students for all courses. The CPI (Cumulative Point Index) is on the scale of 10, the credit weighted average of the grade points earned by a student which is calculated as follows:

   *CPI= Total of (credits x points) ÷ Total no. of credits.

4. The Institute does not follow a formula for conversion from CPI to percentage. However, notionally, the CPI may be multiplied by a factor of 10 to obtain the numerical percentage. The Institute issues degree certificates and grade cards to the graduating students. The Institute does not issue any migration/transfer certificate.
5. Since the BS-MS programme is a dual degree programme, the Institute does not segregate BS and MS.
6. The Institute follows a credit system and hence no class/division/rank/percentage is awarded to students.
