

Two RA Positions at IISER Mohali

IISER Mohali is looking to hire two persons as Research Associates to work on a project related to promoting gender equity in educational institutions. This is part of the Gender Advancement for Transformation of Institutions (GATI) pilot project of DST, Govt of India, for which IISER Mohali is one of the selected institutions. IISER Mohali is partnering with University College London in implementing the GATI project.

Number of Posts: Two

Duration: Initial appointment for one year.

Start Date: Immediate

Emoluments: Emoluments will be as per MHRD guidelines for Research Associates:

https://www.education.gov.in/sites/upload_files/mhrd/files/OM_Revision_emoluments.pdf

Qualifications:

Should have a PhD.

Trained in feminist theory and methodologies and/or having experience conducting ethnographic research on gender as an intersectional category in institutional/urban/academic/organizational settings. The selected candidate will be required to interpret both quantitative and qualitative data. They should be comfortable conducting interviews, focus groups and surveys with individuals from diverse backgrounds (including IISER faculty, staff, students etc.). Ability to analyze and draw meaning from collected narratives.

Responsibilities may include:

1. Organize gender sensitization workshops/conferences/seminars
2. Conduct a gender audit of IISER under faculty guidance
3. Draft relevant reports
4. Present findings to IISER administration and engage in discussions related to gender sensitive policies

The selected candidates will work with a faculty member of IISER Mohali.

If you are interested, please email your application to (deputydirector@iisermohali.ac.in). Your application should contain your detailed CV, your experience in the relevant field, and names of three referees.

Last Date of Application: 10th January, 2022.
